27	28	29	30	31		

\*\*Open classes listed by name, you must pre-register by calling, emailing, or prepurchasing placement online. Class sizes are limited to 25% of capacity due to CoVid19 protocols. People are encouraged to social distance, wear masks, and use sanitizers. KTS is using strict cleaning methods and not allowing Mouth-to-Mouth practice on equipment. If your health is compromised, please do not put yourself at risk. There are blended options that allow for classroom learning online with a One-on-One skills practice session with an instructor. This method is accepted by Idaho State licensing agencies due to the skills session with instructor interaction. Other versions will be denied by many authorities.
